Continuation of 4(e) Other: The markings indicating the changes made are not consistent with the previously examined claims. Specifically, in claim 16, the conjunction "and" in the phrase "SEQ ID NOS: 1 and 3", which was the basis for a rejection under 35 USC §112, first paragraph, appears to have been deleted from the claim but there are no markings to indicate this change was made. Furthermore, in the fourth line of claim 10, the article "a" is both underlined and lined through. Therefore, it is unclear whether it has been added or removed from the claim..
